

BAKPLAATS

PIZZA'S

Te beginnen met de basis:

onze pizzabodem wordt gemaakt van biologische fijne bloem,
verse gist, Haags duinwater, zeezout en geduld.

Al onze garnituren hebben we met zorg geselecteerd
samen met onze lokale leveranciers of we maken het zelf.

We staan achter elk ingrediënt, zelf bereid of ingekocht.

To start with the basics: our base is made from organic flower,
fresh yeast, fresh dune water, sea salt and patience. All our toppings
are carefully selected together with our local suppliers or we make
it ourselves. We stand behind every ingredient,
homemade or bought.
